Christmas Picnic BBQ

BMW Drivers Club
New South Wales

Christmas is the time to celebrate the successes of the year, and what a year it has been with lots of motorsport, social events and the Gold Coast Nationals. We will all get together at the beginning of December for a country drive then BBQ picnic at the home of Club Members in the beautiful Sydney Hills District. We will meet at McDonalds fast food emporium at McGraths Hill at 10AM for a departure around 10:30 on a pleasant drive in the country on some interesting back roads in the rivers area to the west of Sydney. Your committee will then be supplying nibbles, soft drinks and sausage sizzles for lunch. Bring your own beer and wine. There is a swimming pool and a croquet court so there will be swimming and games for everyone. Bring your UHF two way radio and picnic gear.

**There is no Payment. We need your attendance booking for Catering:
