

Sunday 28th Nov.

Christmas Picnic BBQ

BMW Drivers Club
New South Wales

BMW Touring Club
of New South Wales

Christmas is the time to celebrate the successes of the year and what a year it has been. This year we are joined by members of the BMW Touring Club for our first combined event in many years. We will all get together in November for a country drive/ride then BBQ picnic at historic Avon Dam near Bargo. This is a 1927 vintage Dam supporting Sydney's thirst. If you have not seen this mighty construction, it is really worth a look especially if you consider when it was built. We will meet at McDonalds on the southern (west bound side) of the M4 at Eastern Creek around 9AM for a departure around 9:30 on a pleasant drive in the country on some interesting back roads and old main roads that have been forgotten. Your committee will then be serving nibbles, soft drinks and sausage sizzles. Bring your own beer and wine. There will be games for the children. Bring your UHF two way radio.

**There is no Payment. We need your attendance booking for Catering:
Print clearly and fax to 8915 1545 before Thursday 19th November 2010**
