Timekeeper/ Judge of Fact or Eldee Staff	Mrs Lisa Drayton	Gold	9766753	0413 055 144

### 3. Entry Information

Preliminary entries open on publication of these Supplementary Regulations. **Entries Close** 1/05/2021 Entry is open and priority given to BMW Drivers Club NSW and BMW Clubs Australia members. Visitors from other Motorsport Australia Affiliated Clubs will be welcomed if places available after BMW Club Members.

Entries will be accepted in order of receipt via ONLINE entry on the club's website [www.bmwclubnsw.asn.au](http://www.bmwclubnsw.asn.au) Electronic payment is made on the website via PayPal and acceptance of entry is emailed to each Competitor.

**Entry Cost** \$240 for BMW Club members +\$50 extra for visitors paid on the day. It pays to join the club.

Entries from Drivers between 14 & 17 years of age with Speed Junior licence must be consented/counter-signed by a Parent or Legal Guardian on the entry form and disclaimer and emailed. All competitors to submit by email signed disclaimer, vehicle compliance, signed self-scrutiny form, Annex-C including vehicle owner's permission. Annex-C required only for the first time the competitor enters in the annual competition. All data will be stored.

**Max Entries:** 60 plus 6 reserves

**Multiple Driver Entry:** 2 drivers can share a single vehicle after committee confirmation. Only one driver at a time, no passengers. In that single vehicle with 2 drivers can either each have a full set of sessions at two full registration fees or share a single set of sessions at a single registration fee + \$60. (extra paid on the day)

**Cancellation Policy:** More than 7 days a full refund may be granted. 7 days and less, a refund may be granted on a case-by-case basis, after representation to the Club Committee.

There are no pit garages or car ports available at Amaroo. Cars park in paddock area and trailers in trailer park. The Organisers reserve the right to refuse any entry in accordance with the NCR's.

### 4. Event Format

The following schedule is approximate and may be varied by the Clerk of the Course as necessary for safety, smooth running of the Event and Covid-19 restriction compliance. Any variations will be announced in the paddock area. This Event is Round 3 of the BMW Drivers Club NSW Supersprint 2021 Championship.

BMWDCNSW members compete in speed groups to win points towards trophies presented at the club's annual presentation in early 2022. Championship entry via the Annex-C form. Competition Rules and all the details are on the Club's Website [www.bmwclubnsw.asn.au](http://www.bmwclubnsw.asn.au)

## 5. Event Program

**0700** Circuit Gates Open

**0730 – 0830 Registration:** For Covid-19 requirements there will be 1.5m Social Distancing at registration for drivers to receive their wrist band and starting grid number. Car Numbers will be available for sale.

Drivers must have all documentation available at registration but that must have been completed and returned, by email to [motorsport@bmwclubnsw.asn.au](mailto:motorsport@bmwclubnsw.asn.au) by 15/02/20210. Those documents are:

1. Club Membership, (This is included on your event registration so do not email)
2. Motorsport Australia Licence and expiry date (is included on your event registration so don't email)
3. Disclaimer (You must read, sign and email and have it with you.)
4. Statement of Vehicle Compliance (You must complete, sign and email and have it with you.)
5. Completed Self-Scrutiny form. (You must use the form to complete your scrutiny check, sign it when you are sure that it is correct, email it and have it with you. Expect Scrutiny check throughout the day.)
6. Annex-C completed, with base points and modification status so that vehicle Class can be correctly established. Sign it with Automobile owner's permission to enter automobile in annual championship (This is requirement for 1<sup>st</sup> event that you enter for the year)

**0730– 0830 Scrutiny:** Vehicles complete with car numbers on both sides and battery triangle attached plus drivers apparel and helmets in ready to start condition must be available for targeted scrutiny. Chief Scrutineer and Scrutiny team will be inspecting Cars, apparel, and helmets at any time during the day.

*Note: The Event will not be delayed due to late arrivals. It is the Drivers' responsibility to ensure their vehicles are available for Scrutiny before the scheduled starting time of the Event.*

**0830 – 0845 Drivers Briefing:** For Covid-19 Social Distancing requirements, Driver Briefing will be held at the Paddock Area or other location as announced. Attendance is compulsory, a local public address system will be used. 1.5 metre Social Distancing will be observed and there will be sign on attendance sheet. If you are found to have missed this briefing, you will not be permitted on the track until you receive the briefing. Don't miss it.

**0845 – 0915 Driver Training and Practice:** There will be a "Familiarisation Follow the Leader Session" for 5 laps for only those drivers who have never been to this track. There will be one leader for each group of 5 cars and the order of cars will change each lap on the straight between turn 5 and turn 6. Due to Covid-19 requirements, there will be no passengers in any cars except for a parent with a junior who lives at same address. All drivers will wear helmets and speed will be appropriate for the cars in the group to keep up and follow the leaders' lines. Duration of this practice session will depend on the number of drivers who are new to this track.

**Supersprint Arrangements - Vehicle Groups and Runs:** There will be 5 speed groups of up to 12 cars in each group. Group 1 fastest thru to group 5 slowest. Cars arranged in starting order fastest to slowest based on the times provided by drivers on registration forms, times from previous events or Organiser's best estimate. Drivers may be rearranged on subsequent runs. All sessions are flying start. All times count.

**0930 – 1200 Supersprint Sessions.** No passengers permitted. These are timed sessions and times are counted. Group running order will be announced and be set for best arrangement for double entered cars. Drivers are required to present to the 'dummy grid' in sequence as advised at the Drivers Briefing. Group numbers will be announced as an aid, but Drivers are responsible for ensuring they present in their allotted position. Drivers will be permitted to run out of order at the discretion of the Organisers. Drivers will enter onto the track spaced apart to put down the fastest lap time in their class. Times for these sessions will be published and used to establish the Supersprint Speed Groups for the afternoon Supersprint sessions.

**1200 – 1300 Lunch Break –** With Covid-19 requirements we apologise as there can be no Appreciation laps or passenger as instructor laps. This will change if by the date of this event, Covid-19 restrictions allow for passengers.

**1300 – 1630 Supersprint Sessions** will be a maximum of 12 cars in qualifying order from the morning sessions for a minimum of 3 hot laps to put down the fastest lap in their class. Speed groups are generated from morning times and are announced and published. Session length may be increased or reduced at the discretion of the Organisers.

No passengers will be permitted. Cars may be moved within speed groups or to different speed groups at the discretion of the Organisers

## 1730 Circuit gates close.

### 6. Appreciation Laps and Passenger as Instructors Laps

With Covid-19 requirements we apologise as there can be no Appreciation laps or passenger as instructor laps.

### 7. Drivers Safety and Apparel must comply Schedule D of the Motorsport Australia Manual.

- (a) Drivers must wear a helmet that complies with AS1698 or better and carries marking to that effect or is otherwise approved by Motorsport Australia Manual (see Schedule D Section 1 [Headgear] of the General Requirements for Cars and Drivers. Helmets must be in good condition and must not have any perforations to the outer surface.
- (b) Non-flammable clothing covering from neck to wrist to ankles, (apparel of nylon or similar material is forbidden). Shoes, class B footwear is required. Level A or shoes with leather uppers that cover the foot. Shoes which have a leather upper, but which include elasticised ankle regions are acceptable (eg, elastic-sided workboots).
- (c) In open cars, goggles or a visor with a lens material other than glass, (ie to AS1609-1981) are mandatory, as are leather or Nomex gloves which entirely cover the hands.

### 8. Vehicle Categories & Classes

Vehicle classes will be in accordance with the BMW Drivers Club of NSW Inc, Club Championship Rules 2021, Annex-A, Base Points Chart and Annex-B Mod Weighting to be filled in on a 2021 Annex-C form that must be submitted for all vehicles competing in the Supersprint Competition. There will be no vehicles accepted, including Class O, where the Annex-C form has not been received. The Organisers may re-classify any vehicle if they believe it is not eligible for the class in which it has been entered.

### 9. Scrutiny Requirements

For Covid-19 restrictions, all vehicles are to be scrutineered by the vehicle owner or driver and the Vehicle Compliance and Self Scrutiny Form/s must be completed, signed and submitted by email to

[motorsport@bmwclubnsw.asn.au](mailto:motorsport@bmwclubnsw.asn.au) with the other essential documents by 1/05/2021. Do as soon as you register. On the day, the Chief Scrutineer and Scrutineer team will be inspecting vehicles that must be presented in a clean and tidy manner, completely ready for the track including car numbers on both sides of the car, battery triangle and the driver's apparel and helmet. Vehicles must comply with Schedules A & B of the Motorsport Australia General Requirements for Automobiles as specific in the current 2021 Motorsport Australia Manual. Drivers are to have their completed signed scrutiny form with them. Scrutiny includes:

- (a) A fire extinguisher to Motorsport Australia requirements and fitted within reach of the Driver (Schedule H). 3 years or newer or with test certification and mounted appropriately on a metal bracket.
- (b) A blue triangle, 150mm on each side mounted to indicate the battery location. Triangles for sale at Sign-on Desk
- (c) A secondary method of securing the bonnet (in accordance with the current Motorsport Australia Manual) Standard production BMW vehicles bonnet securing complies with these requirements.
- (d) All forward facing glass lenses to be completely covered by a protective film.
- (e) All loose objects are to be removed from the car.
- (f) The battery is to be firmly clamped.
- (g) Metal valve caps or valve caps with secondary sealing rings on all road wheels.
- (h) fitted with towing hooks, couplings or a similar device both front & rear to allow for the speedy removal of a vehicle from a "sand trap" or removal from the circuit in the case of a mechanical failure.
- (i) Competition car numbers are required as part of the competition to identify cars. These numbers are to be positioned on both sides of the vehicle and must be of a contrasting colour to the surrounding bodywork. They must comply with the current Motorsport Australia regulations Schedule K as to size etc. Numbers are for sale at Sign-on Desk. Numbers must be installed on the car and will be checked at the starting grid.
- (j) Vehicles that have been issued with a Motorsport Australia Log Book must present the Log Book at Registration and have it available for targeted Scrutiny.
- (k) Any tyre or component changes to the vehicle after Scrutiny must be approved by the Chief Scrutineer before the vehicle is taken onto the track.
- (l) Any vehicle found to be leaking oil or fluids whilst competing will be suspended from the event until the Chief Scrutineer/Clerk of the Course is satisfied that action has been taken to rectify the leak. Should there be a re-occurrence of the leak then the vehicle will be excluded from the remainder of the Event.

### 10. Noise:

Maximum Noise Limit: 95 dba at 30 metres. Any vehicle found to exceed the maximum noise emission limit will be suspended from the Event until the Chief Scrutineer and Clerk of the Course is satisfied that action has been taken to bring it within the limit. Any vehicle that exceeds the limit on two runs will be excluded from the remainder of the Event. If a vehicle exceeds the noise limit on any lap or laps within a run then only those laps in which the vehicle conformed to the requirements will be allowed for the purpose of the results.

## 11. Replacement Vehicles

At the sole discretion of the Clerk of the Course, a Driver whose vehicle has broken down may use a replacement vehicle. The replacement vehicle must have had a scrutiny form submitted and be available for targeted scrutiny. It should preferably be in the same class and type as the original vehicle. Where the original vehicle has recorded a time and the replacement is not in the same class and type as the original vehicle, the replacement vehicle will not be eligible for points towards the clubs Supersprint Championship.

## 12. Timing Equipment and Accuracy, and Results Issue

- (a) Timing Equipment: Timing will be electronic and to an accuracy of .01 seconds. The timing point will be the secondary start/finish line on the straight before turn 5. An in-car transmitter must be collected from the timekeepers, fitted to the vehicle, as instructed, prior to the first timed run and returned at the end of the day. Failure to return a timing transmitter can incur a \$500.00 fee.  
If computer-based timing fails, manual timing may be used.
- (b) Results: A set of results will be available to all Competitors within 5 days of the event, published on the BMW Drivers Club NSW website: <http://www.bmwclubnsw.asn.au/motorsport-results> and times will be available on the NATSOFT website ([www.natsoft.com.au/results](http://www.natsoft.com.au/results)).
- (c) Prizes and Awards  
No prizes or awards are presented at this event. Performance on the day may receive Club Supersprint Championship Points for cars registered with a club Annex-C form. Those points go towards trophies awarded at the club's Annual Dinner early in 2022.

## 13. Authority of Officials

Any Driver not following a reasonable instruction by an Official during the Event may be excluded at discretion of the Stewards of the Meeting.

## 14. Medical/ Ambulance Facilities

The Organisers have engaged appropriate medical facilities and services. The Clerk of the Course will be in radio contact with all emergency crews.

## 15. Crash Rescue and Fire Fighting Facilities

The Organisers have engaged appropriate crash rescue, firefighting and vehicle recovery services. The Clerk of the Course will be in radio contact with all emergency crews. Competitors shall be responsible for all costs associated with the use of any special crash rescue service, other than the above.

## 16. Insurance

Certain public, property, professional indemnity, and personal accident insurance is provided by Motorsport Australia in relation to the event. Further details can be found in the Motorsport Australia Insurance Handbook, available at [www.motorsport.org.au](http://www.motorsport.org.au)

## 17. Protests

Any problems should be advised to the Clerk of the Course or a Steward at the earliest opportunity; most can be resolved quickly "on the spot". Any formal protests must be made in the first instance in accordance with the BMW Drivers Club of NSW Inc Competition Rules. If there is no resolution through this procedure, then a protest may be made in accordance with the NCR's of the current Motorsport Australia Manual.

## 18. Postponement/Abandonment/Cancellation

The Organisers reserve the right to postpone, abandon or cancel the Event in accordance with the NCR's of the current Motorsport Australia Manual.

During the current Coronavirus pandemic this event may be Postponed or Cancelled as required by State or Commonwealth Regulations or by the owners and/or managers of Sydney Motorsport Park.

## 19. Alcohol, Drugs and Other Substances

The holder of a Motorsport Australia Licence (or a Licence issued by another ASN) may be tested for the presence of any drug or other banned substance and subject to a penalty for a breach of the Australian National Anti-Doping Policy and/or the Motorsport Australia Illicit Drugs in Sport (Safety Testing) Policy at [www.motorsport.org.au](http://www.motorsport.org.au). Consumption of alcohol in the paddock, pits or any other Reserved Area is prohibited until all Competition is concluded each day. The holder of a Motorsport Australia Licence (or a Licence issued by another ASN) may be tested for the presence of alcohol by a Motorsport Australia Accredited Testing Official (CATO) in accordance with the Motorsport Australia Alcohol Policy at [www.motorsport.org.au](http://www.motorsport.org.au).

## 20. Additions and/or Alterations

Any additions and/or alterations to these Supplementary Regulations will be notified to all Drivers in the Final Regulations or during the Drivers' Briefing.
